SUBJECT

Enhancement of the grant to the Babbulkamane Hostel at Bangalore out of the Funds of Bungalow and Choultries, Paschimavahini

Secy R. 7654 dated 22.4.1946.

To the Vice. President of Babbulkamane Seva Samithi, B. city

Informs that no enhancement of the cost grant to the Hostel is possible.

Petition dated 31/7/41 from Mr. Mirle N. Lakshminarayanappa, Vice-President, Babbu Kamme Seva Samithi, Bangalore City, praying that the Annual grant of Rs 150/- to the Babbu Kamme Hostel may be enhanced to Rs 240/- (from Rs 240/-).

Under Secretary's orders on the petition: "Reference". Dated 5.K.V. 31/7/41.

1) The descendents of the late Mr Bangalore Chowdiah had represented in their petition dated 3/8/41 that the trustees who were managing the Temple and the Chattram at Paschimavahini together with the properties endowed by the donor pleaded their inability to continue as such and requested that Govt may permanently take over the management of the two institutions together with the properties endowed by them. After ascertaining the opinion of the Mysore Commissioner, Orders were passed sanctioning the above requests and also directing that a sum of Rs. 240/- be contributed to the Babburkamme Hostel, Bangalore, out of the income from the properties, the balance being utilised for the repairs of the Chattram building, the Temple and the lands in the inam villages etc. according to the wishes of the donor. vide.

G.O.No. R-2952-7 Mug 54-41-5 dated 23/11/41. Para 5 of the G.O.

2) In the present petition the Vice President of the Babbu Kamme Seva Samithi has stated (in para 4) that the reason for Govt sanctioning a sum of Rs 240/- for the Hostel is the fact that some of the descendents of the donor, (the late Mr Chowdiah) had proposed a sum of Rs 250/- in their statement recorded before the Amildar, Seringapatam on 6-10-41

3) The petitioner refers to another Statement (made before the Amildar) of the same people of an earlier date) wherein the Signatories have requested that an annual grant of Rs 1000/- might be made for the benefit of the Students of that Community, and with a view perhaps to secure an enhanced grant for the institution, the petitioner relies on the earlier Statement of the descendents of the donor.

4) Reference is invited to para 3 of the letter dated 19/11/41 from the D.C. Mandya, wherein it is mentioned among other things, that the Signatories have requested that Sums of Rs 1000/- and Rs 50/- may be paid annually from the net realisation of the Inam villages towards the feeding of poor Students in the Babburkamme Hostel at Bangalore and for awarding A gold medal to the best Student of the Community taking the BA Degree Examination. The grant of Rs 50/- for awarding a medal was not complied with as it was considered that this was not an object similar to the one originally proposed by the donor.

5) In the above circumstances, the present request for enhancing the Annual grant to the Hostel to Rs 1500/- is for orders. The original records have been returned to the D.C. The opinion of the D.C. may perhaps be called for together with the records.

Letter No. M.I-C. 412/43-44, dated the 29th August 1944
From the Mysore Commissioner in Mysore.

Stating that proposals for appointing a committee of Dharmadarshis and fixing a scale for the charities have been called for from the D.C., Mandya Distt, and that on receipt of his (A.C's) report he will furnish his views on the request of the Vice President of the Seva Samithi for the enhancement of the grant.

[3] Petition dated the 31st August 1944, from Sri C.N. Krishnaswamy Rao, Rtd. Sanitary Inspector, Seshadripuram, Bangalore, Praying that as the sum of Rs. 240/= granted out of the income of the properties belonging to the charities, for the Babburkammay Hostel at Bangalore is inadequate and that a surplus of about Rs. 1150/= per annum is expected to be realised out of the income of the charities, Govt. may be pleased to pass a general order to the effect that all the surplus of the annual income from the endowed properties which may remain after meeting the expenditure of the charities

be paid towards the maintenance of the Hostel in question

(10) Orders of the Minister on the petition.

(11) The reply received from the M.C. is for perusal. The previous records relating to the grant of Rs 240/- p.a. to the Hostel have been put up with the papers relating to the refund of quit rent received in respect of Bidarakka, Somanahalli and Kuppe Villages in Holenarasipur Taluk, belonging to the Charities (which is prayed for by the petitioner separately). These papers have been referred, on the revenue side, to the R.C. unofficially on the 4th September 1944, for opinion. D.No. 834/A.

(12) From the present petition it is seen that out of the estimated annual income of the Charities amounting to Rs. 2707/-, according to the petitioner, the total expenditure amounts to Rs. 1557/- which leaves a surplus balance of Rs. 1150/-. As the Vice President's request is that a sum of Rs. 1500/- be paid to the Hostel, the amount prayed for is far in excess of the anticipated surplus. Further, as the M.C. has reported that the question of fixing a scale of income and expenditure is under correspondence, it is not now possible to say what the correct income and expenditure would be and therefore what the actual surplus would amount to. The petitioner however, ~~makes the~~ requests that a general order directing the grant of the surplus amount – whatever it may be – for the Hostel may be issued

Urgent.

The Government were pleased to accept the principle that the income from charitable endowment mentioned above might be utilised for feeding the poor students of the Babbanne Kamme community. The Government fixed the amount at Rs 2400/- per annum.

From the Statement of Income and Expenditure enclosed herewith, the Government will be pleased to see that there will be a surplus of at least Rs 1150/- from the income of the said charities after defraying the annual expenditure for the charities and payment of Government dues and of the Village Officials.

The Vice President of the Sangha petitioned the Government on the 31st of July last for the relief that Rs 1500/- or anything in excess of that which may remain after meeting the kinds of expenditure mentioned above might be paid over for the Hostle purpose.

It is learnt that a report was called for from

from the Mangrai Commissioner regarding the probable surplus to be expected. The Mangrai Commissioner, it is also learnt, in his turn, called for a report from the Deputy Commissioners and it is very likely that the latter officers should in turn expect the data from the Sub Division officers and lower down. It will be reasonable to expect some months to elapse before the Government comes at the materials to fix the sum that can be paid for the Hostle.

But the needs of the Hostle are very urgent, especially because of the apprehension of a probable breakdown in the middle of the academic year. If there be no need to fix any minimum higher than the one of Rs 240/- which the Government were already pleased to earmark for the Hostle, their it may be mentioned with respect, there will not be any need to await the reports called for from the Mangrai Commissioner.

On account of the urgency of the matter, the petitioners humbly beg & pray that the Government may be pleased to pass a general order to the effect that all the surplus of the annual income from the endowed properties which may remain after meeting the kinds of expenditure mentioned in the Statement annexed herewith be paid over to the Hostle

2) " No.M.C.817/44 dated 15th November 1944 from the Deputy Commissioner, Hassan District.

from the Deputy Commissioners of Mandya and Hassan Districts.

The annual income from the Charities from the endowed lands situated in Seringapatam Taluq, after earmarking the paddy required for santarpane, etc., is reported to be as 858/- and the income from the two endowed villages in Hassan District, is said to be as 700, thus making a total income of as 1558/- The Deputy Commissioner, Mandya District, had proposed an expenditure of as 1211-5-0, including a contribution of as 240 p.a., to the Babburkamme Hostel. The scale proposed by him did not contain provisions for the Reserve Fund or the contribution for the Muzrai Establishment Fund (at 6¼% of the income). The Deputy Commissioner, Mandya District, has been requested, in this office letter No.Nl.412/43-44 dated 2nd December 1944, to send a revised scale after rectifing the omissions pointed out. He has been reminded to expedite its submission. On receipt of his report, the scale of expenditure will be sanctioned and due provision made therein for contribution to the Babburkamme Hostel, to the extent the surplus income would permit, and a report will be sent to Government. It may be seen from the income of the Charities, that it may not be possibe to provide so large a grant as as 1500 to the Hostel.

****

With reference to your D.O. letter No.N-412/43, dated 29-8-44, calling for report on the above subject, I have the honour to forward herewith one file of records ending with Frenchrocks Sub Division - Officer's memo No.C.649/44, dated 11-10-1944 and to state as follows:-

The Government have in their order No.R.2951-7/Muz.54-41-5, dated 23-11-43 ordered among other things that the wet lands situated in - Seringapatam taluk along with the two Jodi villages situated in Hassan District may be taken under Government management and that the income out of these may be utilised to make a contribution of Rs. 240/- tothe Babbur Kamme Hostel, Bangalore, for feeding ~~xxxx~~ of poor students and that the balance spent in consonance with the wishes of the Donor m.i.c. for paditara and Deeparadhana in the temple and for feeding in the - chatram and also for repairs to the chatram building, the temple and the tanks in the Inam village. It was also ordered that a scheme on the lines indicated by the several descendants of the donor may be prepared in consultation with them, for the maintenance and continuance ~~xxxxxxxxxx~~ of the objects of the endowment and also to constitute a Committe of management.

~~xxxx~~ The Sub Division Officer , Frenchrocks reports in this connection that the scheme of management contemplated in the aforesaid - Government Order could not be drawn up nor could a Committee of management be constituted as only three out of thirty-three descendants of the Donor who have to be consulted as per order of Government appeared in response to notices issued to them and also due to the fact that - the annual income from the two Jodi villages in Hassan District was not available.

As regards the income from the properties situated in Seringapatam taluk, the Sub Division Officer reports that the annual gutta derived is 62 candies and 165 seers or 102 pallas and 30 seers of paddy and tha proposals have been submitted to the Amildar by some of the Descendants of the Donor that the temple needs an archak on Rs.8/- per mensem with a paditara of 3/- a cook on Rs.10/- a caretaker on Rs.3/- a thiruvadath: on Rs.2/- and a parupathegar on Rs.7/- per month which amounts to a -- total of Rs.33/- per month besides the cost of feeding in the chatram which is stated to require one pallax of rice and a cash of Rs.30/- - apart from the Hechukatle expenses including feeding for 30 days in Tulamasa and offering of worships on hechukatle days ~~x~~ for 30 days in a year. The total amount required for the stipulated sevas in Seringa patam taluk is reported to amount to Rs.816/- in cash in addition to 12 pallas of rice. The income in that taluk being only 102 pallas and 30 seers of paddy and the assessment on thelands amounting to Rs.140/- and cesses amounting to Rs.15--500 have to be met out of thisincome and - if the rice required for Santharpane is got by milling part of the paddy the surplus paddy left is reported ~~to~~ be 78 pallas and 30 seers which if disposed at the abnormally high rates prevailing at present would fetch only about 858/-

P.T.O.

The expenses on the other hand is reported to involve a sum of Rs 1211-5-0 as noted in the margin.*

* 1. Nityakatle & Hechukatle & feeding in chatrem. Rs.816-5-0
2. Assessment & Cesses on lands in Seringapatam. Rs.155-5-0
3. Grant to Babbur Kamme Hostel." 240-0-0
Total:- Rs.1211-5-0

Thus, even at present when the price of paddy is abnormally high, a sum of at least 350/- is required from the Inam Villages in Hassan District to meet the expendes in Seringapatam taluk and at ordinary times a sum of Rs.650/- would be required (if the price of paddy per palla is taken to be Rs.6/- during normal times). Besides this, acceptable reserves have to be set apart to meet the cost of repairs to the temple and Chatrem buildings and the tanks of the Inam villages - as per the orders of Government and the question of enhancement of - grant to the Babbur Kamme Hostel could only be considered if the income from the Inam villages in Hassan District admits of such increas after constituting a sum of Rs.650/- per annum for worship in addition to reserve funds required for the other purposes referred to sup: This point could only be clarified if the Deputy Commissioner, Hassan District is consulted and he may therefore kindly be addressed in th matter.

It may be stated in this connection that the descendants of the Donor have in their statements and petitions enclosed in the file -- protested against the grant of 1500/- per annum from the funds of the charities to the Babbur Kamme Hostel and it is doubtful whether the - grant could be enhanced now without their consultation and merely on the application of the Vice President of the Seva Samiti.

The Sub Division Officer has not submitted the enclosures forwarded with your D.O. letter under advertance and the same will be forwarded on receipt of the same from him.

The records leading to the G.O. under reference and subsequent correspondences thereon are herein enclosed for kind perusal and -- return.

I have the honour to be,
Sir,
Your most obedient servant,

hi Supt. Mnya

Sir,

Subject:- Enhancement of the grant to Babburkarie Hostel at Bangalore out of the Funds of Bungalow Chowdiah's Charities, Paschimavahini.

In continuation of this office letter No.N1-412/43-44 dated 28-11-45 and with reference to your letter No.R.19877/Muz 32-44 dated 29-9-45 on the above subject, I have the honour to forward herewith copies of letters dated 10-12-45 and 12-2-46 received from the Deputy Commissioner, Kanara District submitting proposals for fixing a scale of income and expenditure of Bungalow Chowdiah's Charities at Paschimavahini.

A copy of the draft scale sanctioned by me is sent herewith for information of Government. It will be seen therefrom that the total income of the Institution from all sources comes to Rs. 2581-10-6 and the expenditure including the contribution of Rs.240/- towards Babbur Hamme Hostel and Rs.101/- towards Rural Establishment Fund amounts to Rs.2508-10-0 leaving a balance of Rs.210-5-6 towards Reserve. As the Reserve Fund now provided is quite inadequate and far short of the required minimum and in view of the instructions contained in Para 5 of the G.O. dated 23-11-43 referred to above to provide sufficient amount towards Reserve for repairs of the Chavadi Building and Tanks in the Inam Villages which are in a state of disrepair, there is no scope to provide any enhanced grant to the Hostel. It is however proposed by the Deputy Commissioner that 30 pallas of paddy which valued at Rs.8/- per palla for purposes of scale may be given to the Hostel in kind instead of the cash payment of Rs.240/-. I think this is advantageous to the Hostel.

The sanctioned scale of the Institution has not yet been communicated to the Deputy Commissioner as a report was called for by Government and scale will be issued on receipt of records from Government. The petition received with your letter dated 29-9-45 is enclosed in the records. The connected records accompany for reference and return after perusal.

I have the honour to be,
Sir,
Your most obedient servant,

Rural Commissioner.

Copy of the Letter No. Ml.84/44-45 dated 10-12-1945 from the Deputy Commissioner, Kolar District, to the Rural Commissioner in Mysore, Bangalore.

Subject:- Enhancement of the Garnat to Babbur Kalme Student's Hostel, Bangalore, from out of the funds of Bungalow Chowdaiah's Charities at Kaschimavanini.

With reference to your memo No. Ml.412/45-46 dated 29-8-1945, on the above subject, I have the honour to state that the scale of income and expenditure now drawn up is as detailed below:-

I.	Income.-	
	i. From lands situated in Seringapatam Taluk	Rs. 934- 0- 0
	ii. Jamabandy of the two xxxxxxx Inam villages situated in Hassan District.	1842-12- 0
	Total	2776-12- 0
II.	Expenditure:-	
	a. Establishment	192- 0- 0
	b. Paditara	60- 0- 0
	c. Hetchukatte	405- 0- 0
	d. Miscellaneous	
	i. Contribution to Muzrai Establishment Fund	173- 0- 0
	ii. Grant to Babbur Kalme Student's Hostel	240- 0- 0
	iii. Reserve fund for repairs and other unforeseen charges	366-12- 0
	iv. Other items (Lighting charges, Coal and cesses Menage Tax Charges etc.,)	1324- 0- 0
	Total	2776-12- 0

The source of income comprises the income from the lands situate in Seringapatam Taluk and the two Inam villages in Hassan District. The expenditure under Establishment Paditara and Hetchukatte are in accordance with the proposals of Mr. C.N.Krishnaswamy Rao, Ex-Manager of the Charities Sanad one of the descendents of the donor late Mr. Chowdaiah, except one item pertaining to the provision made for Santarpane in Palashasane. Mr. Krishnaswamy Rao's proposal is to provide Rs.100/- for this purpose. The Amildar has reported that one Mr. Somanachar who used to feed the Pilgrims at Seringapatam has stopped feeding now and the pilgrims that come to the place would move to Kaschimavanini, and that by practical experience a lumpsum provision of Rs.300/- is necessary. The contribution to the Muzrai Establishment Fund is calculated at 6¼ % on the income. A sum of Rs.366-12-0 is provided as reserve fund for repairs and other unforeseen charges. The provision for other charges as detailed in the statement is very necessary.

As regards the contribution to Babbur Kalme Student's Hostel, a sum of Rs.240/- only is provided. From a perusal of the provisions made for different items of expenditure it may kindly be seen that the amounts provided are really necessary. There is no surplus amount to admit of any increase in the contribution to the said Hostel.

The Scale of Income and expenditure as now drawn may kindly be sanctioned for a period xxx of two years in the first instance.

The Sub Division Officer, French Rocks has again been requested to-day to take immediate action in consultation with Mr. C.N.Krishnaswamy Rao, regarding the committee to be appointed for the Management of the Charities and to submit his proposals very early. On receipt of the same a further report will be sent in the matter.

The file of records received with French Rocks Sub Division Officer's Memo No. Muz.505-C.2736 dated 13th.November 1945, is herewith enclosed for kind perusal.

Received

for Muzrai Commissioner.

Copy of the letter No.Ml-64/42-5 dated 13th.Feb.1940 from the Deputy Commissioner, Kolar District to the Muzrai Commissioner in Mysore, Bangalore.

Subject:- Scale of income and expenditure of Bungalow Chowdan's Charities at Paschimavahini.

With reference to your letter No. Ml. 412/43-44 dated 3-1-40, on the above subject, I have the honour to state that the paddy realised from the lands at Seringapatam is valued at Rs.8/- per palla as proposed by you and the total income is adopted at Rs.2,591-15-0 as detailed in the margin.

Income:-		
1. Value of 92 pallas and 40 seers of paddy @ 8.8/-(the income from the lands at Seringapatam)	733- 3- 0	
2. Income from the two Inam Villages in Hassan District.	1,842-12- 0	
Total	2,581-15-6	

As regards the modifications proposed in the expenditure side, the Sub-Division Officer, Srirangapatna, has stated that it is difficult to secure an archak on a mere cash remuneration of Rs.12/-p.m. and has suggested that remuneration both in cash and kind as noted in the modified scale of income and expenditure may be provided. This proposal may be accepted as the expenditure works up at a lesser rate than Rs.12/-per month and also as the allowance in kind will obviate the necessity for making a separate allowance for livelihood. The pay of the caretaker has been raised to Rs.6/- per month.

A sum of Rs.8/- per month for puja, archana and deeparadhane charges under Nityakatte has been provided as proposed by you.

Under Nityakatte charges the modifications proposed by you have been adopted except under two items viz., Sivarathri and Tulamasa Sankharpane. The Sub Division Officer has stated that this being a Saiva institution, Sivarathri forms the most important function and therefore the original allotment of Rs.15/- may be retained. In respect of "Tulamasa Sankharpane", it is stated that as the rush of the pilgrims to Paschimavahini will be more due to the stoppage of feeding at Seringapatam by Mr. M.S.Rangachar, a the provision under this item may at least be raised to Rs.250/-. He has proposed that as the institution gets paddy, a quantity of 12 pallas may be reserved for this purpose and Rs. 150/- cash provided. I have reduced the quantity of paddy to 10 pallas (Rs.80/- at Rs.8/- per palla) and provided, including the cost of paddy, only Rs.230/- under this item. I request that this amount may not be further reduced.

As regards the contribution to the Muzrai Establishment Fund, the Sub Division Officer has stated that as the Muzrai Department administers only the Net Income from the two Inam Villages in Hassan District the contribution to the Establishment Fund may be levied only on the Net Income from these Villages plus the Income from the lands at Seringapatam. Though I see no reason why the amount payable towards Jodi and cesses and Pooja to Village Officers should be excluded from the calculation, the amount deducted by the Revenue Department as Management Charges on the Gross Income will have to be excluded. A sum of Rs.151/- calculated at 6¼% on Rs.2,414-12-0 which excludes the Management Charges, is provided as contribution to Muzrai Establishment Fund. A sum of Rs.226-5-0 is provided as Reserve. The other items of expenditure under the head "Miscellaneous" are retained as before.

The President of the Babbur Name/Hostel has requested that for the amount payable as contribution to the Hostel from the Charities, paddy may be issued. Considering the urge for a larger grant to the Hostel I suggest that 30 pallas of paddy out of the quantity realised by the Institution may be issued to the Hostel. As the cost of 30 pallas of paddy at the prevailing rate will work up to more than the cash grant of Rs.240/- the Hostel will be more benefited.

P.T.O.

I request that out of 32 pallas and 40 seers of paddy realised by the Institution, a quantity of 47 pallas and 20 seers as detailed below may be ordered to be reserved and the rest sold to a Government depot.

		P. S.
I.	Payment in kind to the Archak at 60 seers per month	7-20
2.	Towards "Tulamasa Santharpane"	10-00
3.	To Babbur Samme Hostel	30-00
	Total	47-20

The scale of income and expenditure now proposed may be ordered to be in force for a period of two years from the date of the order.

The file of records received with the Trincomalee Sub-Division Officer's memo. No.Luz.305/44-45 dated 28-1-46 is herewith enclosed for reference.
